How swas Saved."

MES K. ISH. Agent for Nebrasks. SANTA CLAUS FOUND. Greatest Discovery of the Age. Wonderful discoveries in the world have been made among other things where Senta Claus stayed Children oft ask if he makes goods or not, if really he flyes in a mountain of snow.

Last year an excursion sailed clear to the Pole and suddenly dropped into what seemed like ahole Where wonder of wonders they found a new land, While fairy-like beings appeared on each hand. There were mountains like ours, with more beautiful green.

And far brighter skies than ever were seen, Birds with the hues of a fainbow were found, While flowers of exquisite fragrance were grow ing around.

Not long were they left to wonder in doub. A being soon came they had heard much about,

A being soon came they had heard much about,
Twas Santa Claus' self and this they all say,
le leoked like the picture r eace every day.
He drove up a team that looked very queer,
Twas a team «Igrasshoppers instead of reindeer,
He rode in a shell instead of a sleigh,
But he took them on board and drove them

away.

He showed them all over his wonderful realm, And factories making goods for women and men Furriers were working on hats great and small, To Bunce's they said they were sending them all. Aris Kingle, the Glove laker, told them at once, All our Gloves we are sending to Bunce. All our Gloves we are sending to Bunce, Santa showed them suspenders and many things Fine, new brick block at junction of three street car lines. Elegantly fitted and furnished apartments for the application of and carrying out of our novel and systematic methods of BUSINESS TRAINING.

BUSINESS TRAINING.

Santa showed them suspenders and many things more impressions to be the street and some them. Suppose the street is nowing his friends will get their full share. Now remember ye dwellers in Omaha town, all who want presents to bunce's go round, for shirts, collars, or glove great and small, send your sister or aunt one and all.
